No Cost After School program for Middle School youth
Child and Youth Services 751-6387
Youth Services Middle School/Teen Program is a positive place for your pre-teen or teen. Research shows that the high-risk time for youth is right after school 1500-1800. Crime statistics say that many youth get involved with burglaries, drugs, alcohol and other crimes during this time frame.

Fort Jackson Youth Services offers a wonderful program. Highlights of this year's program include: annual registration fee of \$15, no additional costs, free afternoon snack and daily options in 4 service areas. They are: sports, fitness and health; arts, recreation and leisure; life skills, citizenship and leadership; and mentoring, intervention and education support services.
Contact the CYS Central Enrollment office at 751-4865 and make an appointment to get your youth registered. After registering middle school youth can drop in for free snack, games, open recreation, basketball, homework assistance and more.

Calling all high school students - Are you looking for a way to get involved in your community? Are you interested in exploring careers, working on a resume or searching for college scholarships? If

so, the Boys and Girls Club of Fort Jackson (housed in the Youth Center) is the place for you. All of these opportunities and many more are available once you register for the Teen Program at the Child and Youth Services Central Enrollment Office. Don't have the \$15 annual registration fee needed to register? No problem. Contact Mr. Elkins, director, Teen Program, at 751-5040 and arrange to do five hours of volunteer service to the club instead of paying a registration fee.
